**THEME: “THE USE OF INTELLIGENT TECHNOLOGIES IN UTILITIES – HOW
DOES THE REGULATOR PROMOTE INNOVATION WHILE PROTECTING
CONSUMERS?”**

HOSTED BY THE AUTORITÉ PORTUAIRE NATIONALE (APN)

12 June 2024

Dear Sir / Madam,

INVITATION TO THE AFUR 21ST CONFERENCE & GENERAL ASSEMBLY

You are cordially invited to attend the *African Forum for Utility Regulators (AFUR)’s 21st Conference and General Assembly* to be held from 4th to 7th March 2024 in Kribi, Cameroon (the venue to be confirmed). The events will be hosted by the Autorité Portuaire Nationale (APN).

The Theme of the 21st Conference is “**THE USE OF INTELLIGENT TECHNOLOGIES IN UTILITIES – HOW DOES THE REGULATOR PROMOTE INNOVATION WHILE PROTECTING CONSUMERS?**”. As in the recent past, it is expected that the Conference will attract participants from around the continent including utility regulators, senior government officials, and the private sector, suppliers of energy, communications, water and sanitation as well as representatives from international development and finance institutions, investors and utility service providers. The event offers a unique opportunity for regulators, investors and operators throughout Africa to engage on regulatory issues of common interest.

The Program, Information Sheet, registration form and list of hotels will be sent in due course. Please note that you must please make reservations directly at the hotel of your choice as well as arrange airport transfers with the hotel.

The hosts will assist in facilitating visas into Cameroon where necessary.
